# **Solar Sharc® Lite**

## **Request for Quotation**

**March 2021**

---

**Opus Materials Technologies Ltd**

---

## General

Please complete this RFQ (Request for Quotation) application form and email to:

[contact@solarsharc.com](mailto:contact@solarsharc.com)

We will then provide full a quotation including costs for shipping & Dangerous Goods certification. The quotation will be exclusive of any duty or importation tax. Please allow 7 days for a response.

### Term & Conditions:

- We can only ship to a commercial address not residential. We can only process the sample order once we have received full cleared payment in accordance with the terms of our Pro-forma invoice.
- All shipping quotation from third party logistic suppliers will be provide to the customer 'as is' to ensure transparency.
- All shipping will be carried out in accordance with Incoterms 2020.
- We do not provide estimates of any duty, VAT, taxes, or clearance charges that may be applicable outside of the U.K as these are specific to each destination country. The Buyer is solely responsible for understanding and complying with the import requirements of the destination country.
- All quotations are valid for 30 days from date of issue.
- All prices are quoted in Euros.
- Lead -in times are approximate and will be detailed on the quotation. For orders of 10 to 50 Litres our standard lead time is four weeks. For larger orders this will increase.
- All product specifications and prices are correct at time of issue e&oe (errors and omissions excepted)
