

Solar Sharc®

Request for Quotation

June 2020

Opus Materials Technologies Ltd

General

Please complete this RFQ (Request for Quotation) application form and email to:

dhannan@opusmaterials.com

We will then provide full a quotation excluding costs for shipping, Dangerous Goods certification & any importation duty. Please allow 7 days for a response.

Please note that due to restrictions in shipping zones we can only provide a quotation on the 'in principal acceptance' of the quotation. The 'in principal acceptance' of the quotation for Solar Sharc® is not binding but will allow us to provide a secondary quotation for logistics delivery to the shipping zone based on volume.

Term & Conditions:

- We can only ship to a commercial address not residential. We can only process the sample order once we have received full cleared payment in accordance with the terms of our Pro-forma invoice.
- All shipping quotation from third party logistic suppliers will be provide to the customer 'as is' to ensure transparency.
- All shipping will be carried out in accordance with Incoterms 2020.
- We do not provide estimates of any duty, VAT, taxes, or clearance charges that may be applicable outside of the U.K as these are specific to each destination country. The Buyer is solely responsible for understanding and complying with the import requirements of the destination country.
- All quotations are valid for 30 days from date of issue.
- All prices are quoted in Euros.
- Lead -in times are approximate and will be detailed on the quotation. For orders of 10 to 50 Litres our standard lead time is Seven weeks. For larger orders this will increase.
- All product specifications and prices are correct at time of issue e&oe (errors and omissions excepted)
