

Solar Sharc®

Request for Sample Kit

June 2020

Opus Materials Technologies Ltd

General

Please complete this RFS (Request for Sample Kit) application form and email to:

dhannan@opusmaterials.com

We will then provide full a quotation with pro-forma invoice. Please allow 7 days for a response. This allows our shippers to identify the most competitive logistics quotation. The cost of the sample kit is £99.00 + VAT (where applicable) but excludes the cost of airfreight shipping, Dangerous Goods certification & any importation duty. Please note that we only ship by Air Freight and the sample kit is packed to comply with DG (Dangerous Goods) requirements.

Our sample kit of Solar Sharc® comprises of the following items:

Item No.	Description of Goods	HS Code	Country of Origin	QTY	Packed in Box No.
1	Microwipe Cloth	63071010	UK	1	1
2	Powder Free Latex Gloves XL	40151900	UK	1	1
3	Panorama Paper Face Mask	48185000	UK	1	1
4	Terumo Sterile LUER Slip Syringe 30MI	90183110	UK	1	1
5	Solar Sharc® 125ml	32089011	UK	1	1

Note: we can only ship to a commercial address not residential. We can only process the sample order once we have received full cleared payment in accordance with the terms of our Pro-forma invoice.

Some countries do have restrictions that make air freight non-viable. We will be able to advise at the point of quotation.
